ZOETIS STANDARD TERMS AND CONDITIONS

INTERPRETATION AND DEFINITIONS:

"the Purchase Order" means Zoetis's relevant order for the supply of Goods and/or Services by the Seller.

"the Buyer" means the member of the Zoetis group of companies specified on the Purchase Order.

"the Seller" means the supplier named on the Purchase Order.

"Goods" and "Services" respectively mean all goods and all services (as applicable) covered by the Purchase Order and/or any part(s) thereof.

Government Official ("GO"): Under Zoetis's policies, “government official” is broadly interpreted to include:

(i) any elected or appointed government official (e.g., a member of a ministry of health);
(ii) any employee or person acting for or on behalf of a government official, agency, or enterprise performing a governmental function;
(iii) any officers, employees or agents or a government-owned or government controlled entity for example all government-linked companies or Government-Link Investment Companies. For purposes of this paragraph, Government shall mean (a) the Government of Malaysia; (b) the Government of a State; (c) any local authority and any other statutory authority; (d) any department, service or undertaking of the Government of Malaysia, the Government of a State or local authority; or (e) the Government of any other country other than the United States;
(iv) any officer, employee, or person from a political party who has formally and publicly declared themselves as a running political candidate for an elected governmental position;
(v) an employee or person acting for or on behalf of a public international organization (e.g., the United Nations); or
(vi) any officers, employees or agents of any private entities that are designated by the government to provide public services on an exclusive basis by virtue of a concession award.

“Government” means to include all levels and subdivisions of governments (i.e., local, regional, or national and administrative, legislative, or executive). Because this definition of “government official” is so broad, it is likely that Business Associates will interact with a government official in the ordinary course of their business on behalf of Zoetis. For example, doctors employed by state-owned hospitals would be considered “government officials” under Zoetis’s policies.

For the sake of clarity, any Health Care Professional (“HCP”) from the private sector who has a clinic or office in a government institution or hospital are also considered as a GO whether or not the said HCP is receiving salary or any remuneration from the government institution or hospital. For example, if any HCP from the private hospital acts as a "Visiting Consultant" and see a patient in any government institution or hospital; he/she will be considered as a GO under this Policy.
